

REMARKS

Claims 1-4 and 6-18 are currently active.

Antecedent support for Claims 17 and 18 is found in Claim 6.

Claims 1 and 15 have been amended. Antecedent support for the amendment to these claims is found in Claim 5, and Claims 1 and 16.

The Examiner has indicated Claim 5 is allowable and Claim 16 is allowed.

The Examiner has rejected Claims 1-3 and 15 as being anticipated by Wandler.

The Examiner has rejected Claims 1-4 and 15 as being anticipated by Holmes.

In regard to Claims 1-4, Claim 1, as amended, with the limitation of Claim 5 is patentable over the applied art of record.

In regard to Claim 15, as amended, the applied art of record does not teach or suggest placing an outer layer made of wood, plastic, glass or marble about an interior made of metal or plastic of a housing.

Accordingly, Claims 1-4 and 6-18 are patentable over the applied art of record.

In view of the foregoing remarks, it is respectfully requested that the outstanding rejections and objections to this application be reconsidered and withdrawn, and Claims 1-4 and 6-18, now in this application be allowed.

Respectfully submitted,

IRWIN KOTOVSKY
